**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Do not enforce monopoly! Deny the US Telecomm petition. Ive been using an independent Internet provider for decades, getting personalized, quick service and better rates than any of my friends using big providers. Competition is essential to making sure a wide range of services are available to suit the whole community, at affordable prices.
